## THE LEADING NAME IN WELDING

TRUSTED WELDING EQUIPMENT, CONSUMABLES &  
TECHNICAL SUPPORT

Supplying quality welding solutions to fabricators,  
manufacturers, engineering companies, and industrial  
professionals across South Africa.

QUALITY DISTRIBUTION SERVICES

# THE LEADING NAME IN WELDING

QWeld has been supplying South Africa's welding industry with trusted equipment, consumables, and technical expertise.

From fabrication workshops and engineering companies to maintenance teams and manufacturing facilities, we provide the products and support needed to keep operations running efficiently.

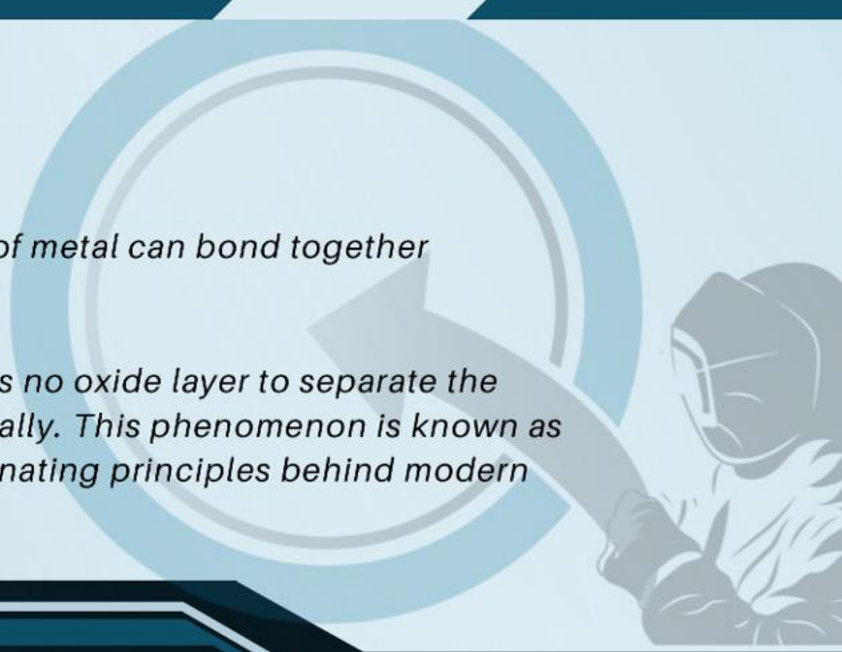

## DID YOU KNOW?

### COLD WELDING IN SPACE

*In the vacuum of space, two clean pieces of metal can bond together simply by **touching**.*

*Without oxygen in the atmosphere, there is no oxide layer to separate the surfaces, allowing the metals to fuse naturally. This phenomenon is known as **cold welding** and is one of the many fascinating principles behind modern welding technology.*

## COMPLETE WELDING SOLUTIONS

Whether you're welding mild steel, stainless steel, aluminium, or specialised alloys, QWeld offers a comprehensive range of Welding Machines, Welding Consumables, Filler Materials, Safety Equipment, Cutting Equipment, Accessories & Spares.

Everything you need from one trusted supplier.

## INDUSTRY EXPERIENCE YOU CAN TRUST

Our knowledgeable team understands the challenges faced by welders and fabricators every day.

We don't simply sell products—we help customers select the right solution for their application, improving productivity, quality, and efficiency.

## NATIONWIDE SUPPORT

With a growing distribution network and dedicated customer service, QWeld provides reliable support wherever your business operates.

From product recommendations to after-sales assistance, we're committed to keeping your projects moving forward.

# SOLUTIONS FOR ALL WELDING APPLICATIONS

Professional Products.  
Trusted Brands. Expert  
Support.

## PATON SOUTH AFRICA

QWeld proudly supplies PATON welding equipment, known worldwide for reliability, performance, and value.

## ESAB SOUTH AFRICA

As an authorised distributor of ESAB products, QWeld supplies industry-leading welding equipment and consumables for a wide range of applications.
